THE MILWAUKEE RADIO AMATEUR'S CLUB INC.

Meeting of April 2,1925.

The meeting was called to order by Pres.Howell and the minutes of the previous meeting read and approved.

Business Mgr.Mr.Polacheck announced that the financial end of the QSO party came out about even as far as could be determined at that date.Mr.Polacheck also gave a brief review of the purposes of the Loyal order of the Derby and stated that a meeting would be called at an early date to elect officers for the order.

C.M. Mr.Catel read a letter from Racine complaining of QRM in that city thus proving that the fame of the Milwaukee Radio Amateur's Club is being spread.

D.S. Mr.Schunck reviewed the traffic situation for several monthe previous and pointed out that the message totals for Dist. No.1 are steadily increasing.

Mr.Knoff of the Papers and Publications Comm.read several interesting articles dealing with ham activities ,among which was a letter from a BCL commending K.B.Warner's suggestion that hams build wave traps for BCL's with whom they interfere.

Mr.Coates of the museum committee stated that a very satisfactory response was recieved from various Mfrs. to whom the committee wrote asking for contributions.

Two old members were present viz-Mr.Domke and Mr.Gellrup. Mr.Nickel stated that no applications had been filed but that he would try to get Mr.Gellrup and Mr.Domke into the club again.

The techincal committee Rept.was as follows:

Mr.Meyer started to give a report on decrement which was finished by Mr.Howell and Mr.Gellrup. Mr.Howell reported on results obtained with the tuner which Mr.Hoffman of 9EK explained at a previous meeting.He Also gave a short review of phanomenon of ultra short waves as discovered or Mr.Heinartz of 1XAM.

Mr.Quentin reported on some experiments with a grid milliameter used in a transmitting set. Mr.Quentin found that low grid mills seem to make the transmitter reach out better. Mr.Quentin also stressed the importance of a wavemeter as part of the regular equipment of every station.

Mr.Howell announced that the Navy wants more men to recruit in the reserve service.

There being no further business the meeting adjourned.
